Port Arthur Blockade appears to be Ineffective

BRITISH STEAMER SEIZED

Gale on China Sea prevents active Blockade of Port Arthur Harbor by the Japs. The Mukden Situation

PORT ARTHUR BLOCKADE INEFFECTIVE.

St. Petersburg, October 8th.—A special despatch from Mukden dated October 7th says there have been no changes of importance in the general situation there. The blockade of Port Arthur appears not to have been so effective recently as a number of messengers have slipped through. The latest advices stated that the fortress had sufficient ammunition and provisions to enable the garrison to hold out for nine months.

GALE ON CHINA SEA.

Continuance of the gale which developed on the China sea and adjacent waters on October 4th prohibits active operations by the Japanese fleet blockading Port Arthur.

BRITISH STEAMER SEIZED.

The British steamer Si pan with a cargo of cattle and flour from Shanghai for Port Arthur has been seized by the Japanese.

A detachment of Finland guards has been ordered to leave St. Petersburg for the far East.

THE CITY OF EDMONTON

The Bill passes the House to take effect from the 7th of November. The land north of Rat Creek exempt from taxation for two years

Mayor Short returned on Thursday from Regina where, in company with N. D. Beck, city solicitor, he went to be present at the considering of the Edmonton city charter bill. The bill was delayed several days owing to delays in the printing department. The first two readings were given the bill, and it has since been considered in committee of the whole. The bill in its main features has been approved of. The proposition to acquire a strip of land across the river developed considerable opposition and this part of the bill was dropped. R. Secord, M.L.A., presented a petition asking that certain lands north of Rat Creek be not included in the city limits. No action has yet been taken on this. Mayor Short states that in all probability the bill granting the charter in its

main features will be passed. Although the Assembly is expected to adjourn today or to-morrow, Mayor Short does not expect that it will have concluded its business before Wednesday next.

N. D. Beck remained in Regina to look after the charter and also to attend a meeting of the council of public instruction, of which he is a member.

Later:

Regina, October 8th.—The Edmonton city charter bill passed its third reading with minor amendments. The north addition is exempt from general municipal taxes for two years. The governor gives his assent to day. It takes effect from the 7th of November when it is expected that a banquet will be held.

A BREEDER OF TRUSTS

Bulletin Special Dispatch.

Boston, October 8.—The republicans at a mass meeting to-day endorsed the general platform of the party, but passed a strong resolution in favor of reciprocity treaties with all nations, especially Canada.

J. L. Bates was nominated candidate for governor.

Democrats in convention to-day nominated W. L. Douglas for governor. They assailed the protective system as the breeder of trusts, and declared themselves in favor of independence for the Philippines.

PUBLIC MEETING

DREW LARGE CROWDS

A clear exposition of the Questions of the day. Great enthusiasm

Robertson's Hall proved totally inadequate last night to accommodate the large crowds who gathered to hear the political questions of the day discussed. Before eight o'clock the hall was filled and as every available foot of standing room was quickly taken up, the stairway was used by a large crowd of people who endeavored to hear the speakers. Persons stood on the lower steps of the stairway to the hall for a half an hour in a vain endeavor to work their way in. Hundreds were turned away. A pleasing feature of the evening was the presence of a number of ladies who occupied seats in the gallery. The meeting was a splendid one, both speakers being given a good hearing and the utmost enthusiasm prevailed.

J. R. Boyle acted as chairman, and after a few remarks, called on Mr. Oliver to address the meeting. On rising Mr. Oliver was greeted with prolonged cheering by the large audience. He at once took up the questions before the electorate. The question to be decided at the present time was whether the present condition of progress and prosperity in the West should be continued by retaining the present government, who are responsible for that prosperity, and who are pledged to a further progressive policy, in power. The Liberal party faces the country with nothing to apologize for, nothing to explain away. The government realized that the Dominion looked to the Territories for increases in population and wealth to the benefit of the whole of Canada and immediately set out to secure the development of the North-West. The government immigration policy was a wise one, and capably administered, and with evident good results. The speaker then dealt with the increase in wealth of the Edmonton district, showing the great rise in land values and consequently in the wealth of the city and district, since 1896. The natural conditions were the same before 1896, but the great benefits are the direct result of a policy of progress as instituted by the Liberal Government being carefully carried out. The successful immigration policy of the Liberal government has brought settlers to Western Canada. The government then saw that railways and competing railways would be necessary for the development of the country which had for so long been in the grasp of the C. P. R. monopoly as granted by a Conservative government. The government's policy was one of railway development with competition. The Conservatives had stood by C. P. R. monopoly, and had opposed the introduction of the Grand Trunk Railway into the West. The government are setting out to have a trans-continental railway constructed which should pass through the Saskatchewan Valley and Edmonton, and which will place Edmonton and district on the front street of commerce. The G. T. P. railway scheme was gone into thoroughly and contrasted with the policy of the Conservatives. The G. T. P. will be built at once if the people as decide on the third of November next, and when completed if the government deems it advisable it can operate its intercolonial trains over the whole system from ocean to ocean. Hon. Mr. Borden, the Conservative leader, had stated in the house that if his party was returned to power at the next elections, he will repudiate the Grand Trunk Pacific bargain. The issue is then clear — are we for or against the railway? Mr. Oliver then gave place to Mr. Moran, who appeared on behalf of

R. Secord. Mr. Moran stated that he agreed with a large part of Mr. Oliver's speech. He urged that the government could not claim to be responsible for the present progress of Canada. He dealt at some length with the charges of corruption and of all government offices being filled with government agents. He believed that the G. T. P. was organized not for the benefit of the people, but for the benefit of the promoters, of the road, and that monopoly similar to that of the C. P. R. would exist in the northern part of the Territories. He believed that the progress of the country was due to C. P. R. monopoly, which Mr. Oliver had decried. Mr. Moran then took up the G. T. P. scheme, claiming that it would pass through

FIGHTING IN AFRICA

Bulletin Special Dispatch.
Lisbon, October 8.—In the Chamber of Deputies the minister of marine made a detailed statement of the recent fighting in Portuguese south-west Africa, when a force of Portuguese operating against the Ovambos were ambushed by tribesmen as they were crossing the Cun-

one river. When the attack was made the detachment formed in a square which was in fact a heavy fire. The squad was not broken but the irregular troops became panic stricken and were thrown into confusion. Reinforcements sent to the relief of the detachment only succeeded in saving a few of the wounded.

OTTAWA LIBERALS

NOMINATE CANDIDATES

N. A. Belcourt and Robt. Stewart will contest the city in the Liberal interests.

Bulletin Special Dispatch.
Ottawa, October 8.—At the Liberal convention last night N. A. Belcourt got the unanimous vote of the convention as one of the candidates. Balloting then took place for the English-speaking candidate. There were three men named, Robt. Stewart, A. W. Fraser and Chas. Murphy. The ballot stood, Stewart, 85; Fraser, 37; and Murphy, 32. Stewart won on the first ballot.

CONSERVATIVES

NOMINATE CANDIDATES

Thos. Birkett and W. Champagne will oppose Belcourt and Stewart for the Commons.

Bulletin Special Dispatch.
Ottawa, October 8.—At the Conservative convention last night Thos. Birkett was nominated as the English-speaking candidate by acclamation. Two French Canadians, W. Champagne and C. E. O. Boudreault, were put up. Champagne got 323 votes and Boudreault, 171; majority of 152 for Champagne.
Ottawa has therefore the same four candidates as at the last general election.

RIVAL PARTIES

NOMINATE CANDIDATES

Geo. Riley M. P., Liberal and Col. E. G. Prior, Conservative will contest Victoria.

Victoria, October 8.—Local conservatives nominated Col. E. G. Prior to-night by a practically unanimous vote as candidate for the Dominion House. Liberals nominated Geo. Riley, M. P.

THE WEATHER

Winnipeg, October 8.—The weather yesterday was very cool and cloudy and rain general throughout the country. The outlook is more favorable for somewhat warmer weather. Scattered showers are not improbable, but fair conditions are likely to predominate.

PERSONAL

Ira D. Worth and Ed. Robertson are in the city to-day from Vegreville.

J. A. Wilson and R. M. Lethbridge, of Calgary, are in the city to-day.

H. H. Halladay, formerly of Edmonton arrived in the city last evening from the south.

W. C. T. U. CONVENTION

Albertan:

The first convention of the Women's Christian Temperance Union of the North-West Territories opened in this city yesterday morning in Baptist church.

Thirty-six delegates were in attendance from local W. C. T. Unions organized in the Territory, going as far east as Grenfell, north to Edmonton and south to MacLeod.

The most important part of the session was the appointment of committee.

Mrs. S. J. Craig, of Olds was appointed convener of the committee on constitution; Mrs. McKinney, of Claresholm, on resolutions; Mrs. McDonald, of Ledue, on plan of work, and Mrs. Woodhall on nominations.

Mrs. Bennett, of Strathcona, Mrs. Alexander of Lacombe, Mrs. Sharpe of Wetaskiwin, and Mrs. T. A. Alexander, of Moose Jaw all delivered able addresses.

On account of Mrs. J. A. Clark being unwell, Rev. Mr. Clark gave the Bible reading.

At the afternoon session, commencing at 2 o'clock, the devotional exercises were conducted by Mrs. Harrison, of Medicine Hat.

"Loyal Temperance Legion" and "Scientific Temperance Instructional" were two of the addresses delivered by Mrs. Woodhall and Mrs. Bennett of Regina, a good deal of discussion following the latter paper.

The superintendent's report was read by Mrs. Craig, president of the Territorial Union. It showed that there were now 20 unions with 307 members in the Territorial association, as compared with eight unions and 143 members last year.

I ALWAYS select the tobacco leaves that grow about the middle of the stalk. I find this leaf as filler in my Pharaoh is best because it is perfectly and uniformly ripened

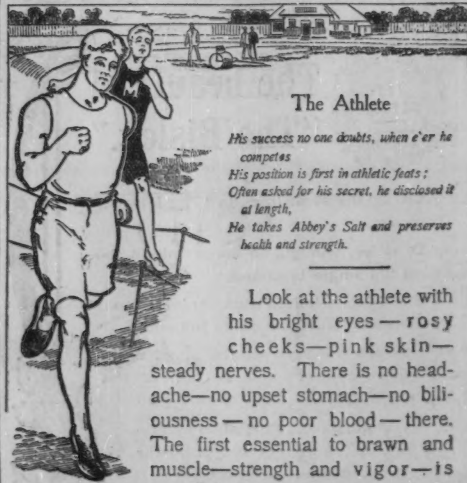

and contains just enough gum to sweat properly and so promote the proper curing. The top leaves of the plant I reject—they are too tender and gummy and contain so much of the rancid bitterness of the tobacco that it would take me five years to sweat them out properly—even then they would not be satisfactory. Then I see that the immature—torn, broken and injured leaves are discarded. The filler of my Pharaoh contains only clear—well nurtured—well matured—well cured leaves—the select of each year's Cuban crop.

COUNCIL MEETING

DEBENTURES SOLD

One hundred and ten thousand dollars disposed of at 43.4. Electric Light machinery

A special meeting of the Edmonton city council was held in the council chamber yesterday afternoon commencing at four o'clock. Mayor Short, who had returned from Regina the previous evening, occupied the chair. Councillors Cushing, Fraser and Picard were present. The minutes of the last regular meeting were read and adopted.

The sale of city debentures was first discussed. A considerable time was spent on this question, and it was finally decided to accept the offer of R. Wilson Smith of Montreal for \$110,000 of the waterworks debentures at 43.4 per cent.

Mayor Short gave a short report of his visit to Regina in connection with the city charter.

H. N. Heathcote, secretary of the fire brigade, wrote regarding better accommodation for the fire brigade team. The present building is claimed to be a very poor affair. Councillor Cushing thought that immediate steps should be taken to provide a good stable. Councillor Picard recommended the building of a stable at the rear of the fire hall. The matter was referred to the fire, water and light committee to be dealt with in connection with the re-arrangement of the old fire hall.

Bown, Dawson, Kennedy and Hyndman wrote on behalf of S. F. Meyer, asking permission to construct a fourteen foot frame porch to the rear of his store on Jasper avenue, claiming it to be needed as a wind break. The matter was referred to the engineer with power to permit Mr. Meyer to erect a storm porch, but not of the dimensions asked for as it was not in accordance with the fire by-law.

Jas. McGeorge, or to the lowest tenderer if any other tenders were received, was given the insurance on the water tower to the amount of \$4,500.00.

Potter and McDougall claimed that they are not receiving their share of the city's transfer business.

S. C. Paton asked permission to build a shoot for loading cars on the lane between First and Second streets south of McKay avenue. This request was granted.

Revelion Bros. asked that the city council repair the sidewalk at the lane crossing at their wholesale warehouse. This was referred to the engineer.

Councillor Cushing reported in favor of purchasing the testing machines for electric light purposes except the machine for testing lamps as recommended by Mr. Kelsch, consulting engineer. This report was adopted.

Dr. Braithwaite, Medical Health Officer reported on several matters in connection with his department.

The city engineer reported that a rough board fence had been constructed around the lots on Jasper avenue east, which were being used for city nursery purposes. He further reported that the cement sidewalk had been completed around the Alberta Hotel at a cost of \$830.05 or 32.12 cents per square foot. A progress estimate report of \$1,288.89 on behalf of W. H. Gardner for his work on the city office building was also received from the engineer. These reports were adopted.

The proposition to provide for a sidewalk for the accommodation of the residents on the flat near the Dowling mill was discussed. The petition received was sufficiently signed for a sidewalk down Curry street. On this arrangement the city would have to build 65 feet of the sidewalk at its own expense. This was referred to the board of works and finance committees.

The finance report was adopted and the meeting then adjourned.

Oliver Jackson has recently returned to the city from a trip to Lloydminster. He took up land in the Bowtell settlement about half-way between Lloydminster and Vegreville. It is claimed that this is a specially fine tract of country.

Arch. Fleming, of the Vermillion Trading Company, is in the city today. He reports that Vegreville is flourishing. C. N. R. grading operations are in progress a few miles from the village. J. D. McArthur, the contractor, is calling for one hundred and fifty teams to work on the grade near the village. A great part of the grain in the district has been stacked and considerable thrashing has been done.

The Canadian Northwest Homestead Regulations

Any even numbered section of Dominion Lands in Manitoba or the Northwest Territories, excepting 8 and 26, which has not been homesteaded, or reserved to provide wood lots for settlers, or for other purposes, may be homesteaded upon by any person who is the sole head of a family, or any male over 18 years of age to the extent of one quarter section, of 160 acres, more or less. ENTRY.—Entry may be made for the district in which the land is situated, receive authority for some one to make entry for him. A fee of \$10.00 is charged for a homestead entry.

HOMESTEAD DUTIES.—A settler who has been granted an entry for a homestead is required by the provisions of the Dominion Lands Act and the amendments thereto, to perform the conditions connected therewith, under one of the following plans:

(1) At least six months' residence upon and cultivation of the land in each year during the term of three years.

(2) If the father (or mother, if the father is deceased) of any person who is eligible to make a homestead entry under the provisions of this Act, reside upon a farm in the vicinity of the land entered for by such person as a homestead, the requirements of this Act as to residence prior to obtaining patent, may be satisfied by such person residing with the father or mother.

(3) If a settler has obtained a patent for his homestead, or a certificate for the issue of such patent, countersigned in the manner prescribed by this Act, and has obtained entry for a second homestead, the requirements of this Act as to residence prior to obtaining patent may be satisfied by residence upon the first homestead, if the second homestead is in the vicinity of the first homestead.

(4) If the settler has his permanent residence upon farming land owned by him in the vicinity of his homestead, the requirements of this Act as to residence may be satisfied by residence upon said land.

The term "vicinity" used above is meant to indicate the same township or an adjoining or cornering township.

A settler who avails himself of the provisions of Clauses 2, 3, or 4, must or substitute 20 head of stock, with buildings for their accommodation, cultivate 30 acres of his homestead, and have besides 80 acres substantiated.

The privilege of a second entry is restricted by law to those settlers only who completed the duties upon their first homesteads to entitle them, to patent on or before the 2nd June, 1889.

Every homesteader who fails to comply with the requirements of the homestead law is liable to have his entry cancelled, and the land may be again thrown open for entry.

Application for patent should be made at the end of three years, before the local agent, sub-agent, or Homestead Inspector. Before making application for patent the settler must give six months' notice in writing to the Commissioner of Dominion Lands at Ottawa, of his intention to do so.

Information.—Newly arrived immigrants will receive at the Immigration Office, in Winnipeg, or at any Dominion Lands Office, in Manitoba or the Northwest Territories, information as to the lands that are open for entry, and from the officers in charge, free of expense, advice and assistance in securing land to suit them. Full information respecting the land, timber, coal and mineral laws, as well as respecting Dominion Lands in the Railway Belt in British Columbia, may be obtained upon application to the Secretary of the Department of the Interior, Ottawa, the Commissioner of Immigration, Winnipeg, Manitoba, or to any of the Dominion Lands Agents in Manitoba or the Northwest Territories.

JAMES A. SMART,

Deputy Minister of the Interior. Note.—In addition to Free Grant Lands to which the regulations above stated refer, thousands of acres of most desirable lands are available for lease or purchase from railroad and other corporations and private firms in Western Canada.

PUBLIC MEETING

Continued on page three.

a thousand miles of wilderness and that it would be impossible to build the necessary bridge over the St. Lawrence. Provincial autonomy was then discussed. The government was accused for not granting provincial autonomy before now, and then for promising it on the eve of an election. He believed that the tariff should be raised, and that the farmer should be protected. He concluded that the price of pork recently dropped in Canada through fear that American pork would be dumped on our own market from a large drop in prices in the United States. In conclusion he called on the people to forget personal and private interests and to consider more the interests of the country at large.

Mr. Oliver then briefly dealt with the various questions that Mr. Moran had raised. He took up the question of the drop in the price of pork to which Mr. Moran referred, and clearly showed that a high tariff cannot and does not keep up the price of pork, as witnessed by the very example Mr. Moran had quoted. The Conservatives held out the prospect of nominal protection to the farmer so that the manufacturer would reap an actual advantage. The farmer depends on the export demand for his produce, the manufacturer for the internal demand. A high tariff will protect the manufacturer but not the farmer. The provincial autonomy question was taken up, and figures quoted to show that the Territories were now receiving larger subsidy grants from the Dominion than they would as a province, and that they were receiving much larger grants than any

province now receives. The questions of terms upon which we will get autonomy should be the great consideration. If autonomy can be secured on terms that are better than we now receive, we want it, if not, we can afford to wait. Mr. Moran had clearly shown in denouncing the country through which the Grand Trunk Pacific railway is to pass that the Conservatives will not build this transcontinental railway, so that it is a question of railway or no railway at the present time. If the road is not built our land values will drop, if it is built they will be greatly increased. The question before the electors is not one of politics but one of existence, and the people of Edmonton of the Edmonton district and of the Territories can not afford to take chances. Vote for the railway! Mr. Oliver concluded his speech amid loud cheering.

Mr. Moran moved a vote of thanks to Mr. Boyle for his fairness as a chairman.

The meeting then broke up with three cheers and a tiger for Mr. Oliver.

THE GAME ORDINANCE**OPEN SEASON FOR DEER**

Will not commence until November 15th. Public Works Legislation

Bulletin Special Dispatch.
Regina, October 25.—An amendment to the game ordinance was put through the House yesterday morning. It changes the open season for deer from November 1 to November 1 in order to allow of the farmers getting some hunting.
The public works bill was also amended, making it a crime and fixing a penalty for anyone interfering with a servant of the department entering upon land to make improvements.
